All bidders must receive the same bid criteria and instructions. Informal quotes shall be completed on the Informal Quotes Template as identified in "Appendix B". If the pricing is within the approved budget, the Department Head will proceed with the purchase. Copies of all the quotations are to be attached to the approved invoice when submitted for processing.

A Request for Quotation may be called for lesser amounts if deemed beneficial by the Department Head or CAO and/or Treasurer. If only one bid is received, the Municipality may exercise the right to cancel.

Department Heads shall have received informal quotes either via email or hard copy. A copy of the informal quote shall be provided to the Department Heads support staff for document retention.

Request for Quotations

Where the requirement for Goods and/or Services can be specified and is estimated equal to or greater than a value of \$25,000, but less than \$49,999, including applicable taxes and freight, the initiating Department Head shall issue a Request for Quotation, which includes required specifications, through Bids and Tenders.

E-Bids are opened in the presence of a Department Head and the Procurement and Risk Management Coordinator. Each E-Bid received in response to a formal Request for Quotation is reviewed for completeness and accuracy by the initiating Department Head. The Department Head will select the successful Bid.

If the selected Bid is in accordance with the specifications and terms and conditions of the Request for Quotation, and is under budget, the Department Head may proceed with the purchase as authorized and executed in accordance with the Purchasing Authorities and Document Execution Authorities, respectively, as set out in Appendix "A". In accordance with this by-law, the Department Head shall prepare a report as outlined in Appendix "D", to inform the CAO of its decision to move forward with the successful Bid.

- b) the selection of the Supplier depends more upon the effectiveness of the proposed solution, rather than the price alone; and
- c) the precise Goods and/or Services, or the specifications thereof, are not known or are not definable and it is expected that Suppliers will further define them.

Where it is not possible to prepare precise specifications, the Department head will issue an RFP. An RFP will include evaluation criteria and weighting such as, but not limited to, qualification, experience, strategy, approach, methodology, facilities and equipment.

The document shall clearly distinguish those requirements that are deemed mandatory or non-mandatory and shall clearly outline how these items will be evaluated. All RFPs shall be called, opened and awarded in accordance with this by-law.

If the Procurement is within the approved budget and there are no challenges to the process by interested parties, the Department Head may proceed with the purchase.

All Purchases shall be authorized and executed in accordance with the Purchasing Authorities and Document Execution Authorities, respectively, as set out in Appendix "A".

Special Circumstances – Bids

In conjunction with the Procurement and Risk Management Coordinator and under advisement with the Treasurer, the following procurement processes shall be utilized:

10.7 Pre-Qualifications and Expressions of Interest

Request for Pre-Qualification

Department Heads may conduct a Request for Pre-Qualification (RFPQ) to develop a list of Suppliers that may be eligible to submit a Bid on subsequent Bid Solicitations or to develop a roster in accordance with this by-law.

Pre-qualification may be considered in the following circumstances:

- I. the work will require substantial project management by the Municipality and could result in a significant cost to the Municipality if the Supplier is not appropriately experienced;
- II. the Goods and/or Services to be purchased must meet national safety standards;
- III. the work involves complex, multi-disciplinary activities, specialized expertise, equipment, materials or financial requirements;
- IV. miscellaneous repairs and services as required by the Municipality such as plumbers, electricians, and drywall contractors;
- V. there could be substantial impact on the Municipality's operations if the work is not satisfactorily performed the first time; or
- VI. any other circumstances deemed appropriate by the Procurement and Risk Management Coordinator or respective Department Head.

An RFPQ shall be provided to potential Suppliers establishing the criteria for pre-qualification, which may include, but are not limited to:

1. Experience on similar work (firm and staff assigned);
2. References provided from other customers for similar work;
3. Verification of applicable licenses and certificates;
4. Health and safety policies and staff training; and
5. Financial capability.

Supplier submissions will be evaluated and ranked. A short list of pre-qualified Suppliers will be invited to participate in the second step of the two-step Purchasing process, being a Request for Proposal or a Request for Tender.

An RFPQ is not a legal offer but only an invitation for Suppliers to make offers to the Municipality.

All RFPQs shall be conducted in accordance with submission instructions in the Bid Solicitation and this by-law.

Request for Expressions of Interest

Department Heads or Designates may conduct a Request for Expressions of Interest (RFEOI) for the purpose of determining the availability of Suppliers, compiling a list of Suppliers or determining potential scope of work. An RFEOI may be used as a specific pre-condition of any method of Purchasing used by the Municipality.

The receipt of an Expression of Interest by the Municipality does not create any obligation between the potential Supplier and the Municipality.

10.8 Request for Information

A Request for Information (ROI) can be used to identify supplier interest and measure if there is enough interest to justify a full Request for Proposal Competition.

An ROI requests detailed information such as, but not limited to, company background, interested parties, what they can offer, and what they can do for the Municipality.

A reply to the ROI is required by a designated date and time to the Department Head who initiated the request and signed by an Officer authorized to legally bind the

Municipality. Any resulting bid document will be processed and advertised in accordance with this by-law.

10.9 Construction Tender/Bid Calls after Budget Adoption

Following the adoption of the budget by Council and the receipt of any necessary approval from outside agencies, the Department Head may call tenders for budgeted, Municipal construction projects and the acquisition of equipment.

10.10 Conditional tender/Bid before Budget Adoption

The Department Head may obtain, prior to the adoption of the budget by Municipal Council, Sealed Bids for additional and replacement equipment, provided that the documents include a clause specifically stating that the acceptance of a bid and placing of the order is subject to budget approval by Municipal Council and the items specified are subject to change in quantity and/or deletion.

10.11 Election Recess Procedures

Where a matter, which would otherwise require Council approval pursuant to this by-law, but approval cannot be granted because approval is required:

- a) prior to the next regular scheduled Council meeting;
- b) during the recess required to conduct municipal elections; or
- c) there is a failure to obtain a quorum at a Council meeting where a contract approval was on the agenda for such a meeting

then the Procurement and Risk Management Coordinator, CAO/Treasurer and Department Head may award contracts which are the result of the circulation of a Tender/Quotation or RFP, where the recommended Bid is that of the lowest responsive Bidder (all costs considered) or where the recommended Proposal is that of the highest ranked scoring Bidder, providing in each case that the price does not exceed the approved budget.

The Department Head will report all such awards following the specific recess period at the first possible Council meeting on the contracts awarded during the specific recess period. Council will not vary any action of the contract awards made in such cases.

10.12 Co-operative Bid Calls

Notwithstanding anything else contained in this by-law, the Department Head may join or participate with other units of government, as a named agency, including local boards, commissions and agencies, in co-operative purchasing and bulk buying of Goods and/or Services, if it is in the best interests of the Municipality to do so.

10.13 Special Circumstance Purchases

Purchases that are required to respond to a Special Circumstance shall be authorized in accordance with "Appendix A". Such purchases are exempt from the processes outlined under the Methods of Purchasing. However, these processes may be followed where practical to do so, and in all instances must be reported to the CAO on the following business day.

Contracts required effecting Special Circumstance purchases shall be signed in accordance with the Document Execution Authorities set out in "Appendix A".

10.14 Emergency

Where a situation arises requiring immediate procurement of goods or services essential to prevent serious delays in the work of any department or which might involve danger to life, health or safety of employees or the public, or to prevent damage to property, a department head may purchase the required goods or services

notwithstanding any other provision in this policy. The CAO must be informed of this situation.

Emergency purchases will have regard to the provisions of this policy and the purchasing procedures, and will be handled as swiftly and cost effectively as possible.

All such authorizations to purchase services, work or goods shall be reported to Council after the emergency is over by the Department Head responsible for the purchase.

11. SINGLE SOURCE PURCHASES

Bid Solicitations are not required for Single Source Purchases, provided any of the following conditions apply:

- b) there is an absence of competition for technical reasons and the Goods and/or Services can only be supplied by a particular Supplier and Sole Source is being recommended;
- c) an unforeseeable situation of urgency exists and the Goods and/or Services cannot be obtained in time by means of open procurement procedures;
- d) the Municipality has a rental contract with a purchase option and such purchase option is beneficial to the Municipality;
- e) for matters involving security, police matters or confidential issues, in which case a Purchase may be made in a manner that protects the confidentiality of the Supplier or the Municipality;
- f) there are no bids in response to a Bid Solicitation; and/or
- g) the Supplier is selected from a roster for Professional Services that has been developed in accordance with this by-law.

All Purchases and related contracts shall be authorized in accordance with the Purchasing and Document Execution Authorities set out in Appendix "A".

12. DIRECT NEGOTIATION

Notwithstanding that Direct Negotiation may be a component of another procurement process, Direct Negotiation may be used for Purchases of Goods and/or Services when any of the following criteria apply:

- a) the required Goods and/or Services are in short supply;
- b) competition is prevented due to the existence of any patent right, copyright, technical secret or control of raw material;
- c) a Sole Source is being recommended;
- d) two (2) or more identical Bids are received;
- e) the Lowest Compliant Bid received meeting all mandatory specifications exceeds the Budget amount;
- f) the extension of an existing Contract would be more effective;
- g) only one (1) Bid is received in response to a Bid Solicitation;
- h) the Bid Solicitation process has been cancelled without Award;
- i) a roster for Professional Services has been developed in accordance with this By-law; and/or
- j) there is Council authorization to do so.

All Purchases and related contracts shall be authorized in accordance with the Purchasing and Document Execution Authorities set out in Appendix "A".

13. LEASING

In certain circumstances, it may be economically advisable for the Municipality to enter into a financing lease to acquire the rights to use capital property and equipment rather than an outright purchase.

For any lease, a report initiated by the Department Head, Treasurer and/or Procurement and Risk Management Coordinator shall be circulated to Council for approval.

14. ROSTER FOR PROFESSIONAL OR SPECIALIZED SERVICES

A Request for Pre-Qualification (RFPQ) or a Request for Expression of Interest (RFEOI) may be conducted for developing a roster of qualified Suppliers of Professional or Specialized Services for groups of projects requiring similar and particular expertise.

While the use of a roster is strictly optional, the associated RFPQ or RFEOI shall be conducted in accordance with the provisions of this by-law:

The Department Representative shall provide to Department Head the relevant information regarding the Professional Services and required expertise.

Department Representative and Department Head will prepare the RFPQ or RFEOI, inviting interested Suppliers to submit Bids. On subsequent projects, Suppliers of Professional or Specialized Services may be selected from the roster to submit detailed proposals in response to a Bid Solicitation, in accordance with this By-law. The requesting Department shall invite Suppliers on the roster to provide Services, using best efforts to equally distribute opportunities amongst the Suppliers on the roster.

Alternatively, a Supplier may be selected from the roster to submit a Bid for Professional or Specialized Services in accordance with this By-law.

Rosters may be updated once every two (2) years.

15. VENDOR PERFORMANCE

The Department Head shall monitor and document the performance of suppliers providing Goods and/or Services with a value greater than \$25,000 annually to that Department. Monitoring of poor performance of a vendor will be documented using a form outlined as Appendix "C" and shall advise the Procurement and Risk Management Coordinator in writing when the performance of a Supplier has been unsatisfactory (overall rating of less than 3.5), and the vendor will be advised as such.

Such records will be posted on the Municipality's Intranet for 3 years, and shall be reviewed by all Department Heads or Representatives prior to the acceptance of any Bid Solicitation. A Bid received from a vendor whose vendor performance form rating is less than 3.5 will not be accepted, unless otherwise approved by Council.

16. UNSOLICITED PROPOSALS

Unsolicited proposals received by the Municipality shall be reviewed by the Department Head and CAO. Any Procurement resulting from the receipt of an unsolicited Proposal shall comply with the provisions of this by-law. A contract resulting from an unsolicited proposal shall be awarded on a non-competitive basis only when the procurement

requirements comply with the non-competitive procurement policies and procedures described herein.

17. REPORTING

Upon approval by Council, the Department Head shall authorize the purchase and/or a Contract shall be executed as authorized by Council.

18. DISPOSAL OF SURPLUS GOODS
