# Sponsorship Program Guide 2009-2010

---

You can make a difference in your community

## Inside you will find:

- Community Events we are involved with
- Sponsorship opportunities
- Volunteer opportunities

**North Perth Parks & Recreation 292-2054**

The Municipality of North Perth has been fortunate to have enjoyed many examples of partnerships and has been the recipient of generous donations over the years. People, businesses and groups have volunteered time, donated funds, and supplied new or replacement equipment.

The Municipality of North Perth recognizes that our community must continue to work together in order to meet the demand for programs and services.

You, as an individual, business or group, will get the satisfaction associated with supporting a community program, service or event and contributing towards the quality of life in North Perth.

Sponsorship and volunteer opportunities are not limited to what you see in this publication. We welcome new ideas on how you can make a difference in our community!

---

### Public Swimming

Nothing beats an afternoon at the pool on a hot summer's day! Sponsoring one or more days of public swimming at either of our North Perth pools allows residents to participate free of charge. It's an inexpensive way to promote your business or organization and we look after the advertising for you! If interested, call the Parks & Recreation office for current rates.

---

### Trees and Benches

We have been fortunate in North Perth to have many trees and benches donated to our parks and trails over the years. Many of these are in the form of memorial donations. Call the Parks & Recreation office 519-292-2054 for more details on how you can place a tree or bench in a North Perth park.

### Volunteer Opportunities

Part of our Mission Statement is to provide quality programs and the best recreation opportunities for all citizens. The help of energetic, motivated volunteers of all ages is how we accomplish these initiatives successfully! There are always plenty of opportunities for volunteers to participate in and thousands of ways to share and build your skills within our department. Some of the volunteer opportunities available include: score-keeping for the Road Hockey Tournament, Trail cleanup, assisting with children's activities for Paddyfest or Teddy Bear Family Fun Day, and many more!

## Children's Day Camps

When children participate in recreational play, they develop physically, emotionally, socially and cognitively. What they learn at play provides a strong foundation that will help prepare them for future life experiences.

Our camp staff are energetic and full of ideas to keep children interested whether it be for a P.A. Day, March break week, Christmas holidays or Summer vacation. Sponsorship can ensure a child's involvement who may not otherwise be able to attend due to financial constraints.

**Cost of Sponsorship—\$25.00 per child, per day**

## Camp Supplies

If you think you have an item or items to donate that would be of use at any one of our children's camps, give us a call. We are always looking for arts & crafts supplies, sports equipment and any other camp supplies that can ease our budget. Monetary donations are always greatly appreciated also.
