RE: MUNICIPALITY OF NORTH PERTH
RECONSTRUCTION OF LOUISE AVENUE NORTH,
LISTOWEL
OUR FILE: M6727A

Dear Resident:

On behalf of the Municipality of North Perth, we wish to advise you that Triton Engineering Services Limited (Triton) will be proceeding with preliminary engineering work for the future reconstruction of Louise Avenue North between Binning Street West and Scott Street, in Listowel.

As part of this work, staff from Triton will be taking photographs of existing conditions and undertaking a topographic survey of the street including front yards and buildings, which will provide information to facilitate the engineering design. The survey crew will comprise of two persons and appropriate survey equipment.

Additional pre-engineering work may include an Ontario Land Surveyor to confirm the locations of the Municipal Right of Ways; a geotechnical investigation, which will involve personnel and equipment drilling test holes in the roadway at various locations; and/or closed-circuit television (CCTV) investigation of sewers, which will involve personnel and equipment in the roadway at various locations.

A Public Information Centre (PIC) will be held in the future, following preliminary design, to provide information to the public and stakeholders and solicit feedback based on the information presented.

For up-to-date information on this project and the PIC, please log into updates at the Municipality of North Perth Website and look for "Louise Ave N Reconstruction" on the Construction and Other Projects page, here: northperth.ca/en/our-community/construction-projects.aspx.

Thank you in advance for your co-operation on this project.
