

Business/Workplace Physical Distancing Measures

This template has been created by the Municipality of North Perth to help local businesses share the physical distancing measures they have implemented with their patrons.

Business:	
Address:	
Phone Number:	
Email Address:	
We have implemented the below 'checked' measures in our business/workplace to support physical distancing:	
<p>Temperature checks for persons entering the business/workplace</p> <p>Symptom Screening for persons entering the business/workplace</p> <p>Limiting hours of operation</p> <p>Employees are working from home</p> <p>Employees are working flexible hours</p> <p>Employees are staggering start times</p> <p>Staggering start times of shift switchovers</p> <p>Spreading out parking spaces</p> <p>Limiting the number of employees, patrons or customers in the business at one time</p> <p>Limiting contact between employees, patrons or customers (e.g., moving desks, spreading out production lines, installing barriers or screens at service counters, one employee per work vehicle, etc.)</p> <p>Providing hand washing stations and/or hand sanitizer to employees, patrons or customers</p> <p>Providing PPE to employees</p> <p>Enhanced cleaning and sanitization of workplace</p> <p>Other:</p>
