

Quality Management System Policy

The Municipality of North Perth owns, maintains and operates the Listowel, Atwood, Molesworth and Gowanstown Well Supply and Distribution Systems

The Municipality of North Perth is committed to the following:

- Ensuring a consistent supply of safe, high quality drinking water
- Maintaining and continuously improving its quality management system
- Meeting all applicable regulations and legislation

The Municipality of North Perth will strive to achieve these goals through the dedication, support and participation of all of the council members, managers and employees who are directly involved in the supply of drinking water.

The Quality Management System Policy is posted on the Municipality of North Perth Web site northperth.ca, and at the Municipal Offices located at 330 Wallace Avenue North in Listowel. All waterworks personnel have reviewed the policy.
