This fee applies to all name changes including, but not limited to, new ownership, addition or removal of names from the roll, business name change, and surname change. Any questions, please call 519-292-2044.

Supplementary Taxes

If you have recently built a new home or made any additions or improvements to your property, make an allowance for a Supplementary Tax Bill in your budget plans.

For the first 12 to 18 months after occupying a newly built home, property tax bills may cover the land only, representing approximately **1/3** of the total tax bill, until MPAC completes an assessment of the home. There may be a considerable delay from your occupancy date until you receive a tax bill including the house.

Once you receive a "Property Assessment Notice" from MPAC, the Municipality will send a Supplementary Tax Bill with taxes covering the building from the date of occupancy. **Residents are strongly encouraged to budget for this billing.** If your mortgage payment includes taxes, the Supplementary Tax Bill will be sent to the financial institution dealing with payments. You may want to contact your mortgage company to ensure you are paying enough towards taxes to cover this Supplementary Bill.

North Perth offers property owners who have bought lots or newly built homes the option of making **pre-authorized payments** towards the property prior to MPAC completing an assessment. These payments are credited to the Supplementary Tax Bill following MPAC issuing a "Property Assessment Notice". In order for the Municipality to do this, there has to be a roll number already established to apply the credit. Contact the Municipal Office if you are interested.

Emailing of Municipal Bills

North Perth offers residents the option to receive property tax and water/wastewater bills or accounts receivable invoices by e-mail.

To sign-up for the e-mail of your property tax and water/wastewater bills and/or accounts receivable invoices, you will have to make payments through internet or telephone banking, a Pre-Authorized Payment Plan, your mortgage provider, or at the Municipal Office. It is the owner's responsibility to follow up with

the Municipal Office if a tax bill has not been received by the end of February and at the end of August.

To sign-up for this service, please fill out the Email of Property Tax and Water Bills and/or Accounts Receivable Invoices Form (Appendix A). Online forms are also available on the North Perth website:

- Water/Wastewater – <https://forms.northperth.ca/eBilling-Sign-Up-Water>

Garbage and Recycling

North Perth uses the automated waste and recycling program facilitated by Bluewater Recycling Association. This program requires residents to use wheelie bins.

To request a garbage or recycling wheelie bin, contact the Environmental Services Administrative Assistant at the Municipal Office at 519-292-2067. Bins come in small, medium and large.

The annual service cost for wheelie bins is included on your first tax bill of the year. For new residents who move to North Perth after this bill, the service cost will be included on the final tax bill for the year.

Recycling material goes in the wheelie bin with the BLUE lid. Waste material goes in the wheelie bin with the BLACK lid. For a listing of what recycling materials CAN and CANNOT go in your bin, please visit the Bluewater Recycling website: <http://www.bra.org/recycling/>.

You must have your wheelie bins placed just off the roadway on the grass shoulder or driveway by 7:00 a.m. on your scheduled collection day. This will ensure they are picked up. Please see Appendix A for the BRA Collection Schedule.

The only holidays that Bluewater Recycling does not pick up is Christmas Day and New Years Day. For all other holidays, pick up will be as usual.

For **missed garbage and/or recycling pick-up**, contact Bluewater Recycling at 1-800-265-9799.
