RE: MUNICIPALITY OF NORTH PERTH
RECONSTRUCTION OF McDONALD STREET WEST,
LISTOWEL
OUR FILE: M6728A

Dear Resident:

On behalf of the Municipality of North Perth, we wish to advise you that Triton Engineering Services Limited (Triton) will be proceeding with preliminary engineering work for the future reconstruction of McDonald Street West between Wallace Avenue North (Highway 23) and Barber Avenue North, in Listowel.

As part of this work, staff from Triton will be taking photographs of existing conditions and undertaking a topographic survey of the street including front yards and buildings, which will provide information to facilitate the engineering design. The survey crew will comprise of two persons and appropriate survey equipment.

Additional pre-engineering work will also include a geotechnical investigation, which will involve personnel and equipment drilling test holes in the roadway at various locations.

To follow the progress of the project please visit the Municipality of North Perth website at <https://www.northperth.ca/home-property-roads/roads-and-bridges/road-closures-and-construction-projects/>.

Thank you in advance for your co-operation on this project.

If you have any questions, concerns or feedback, please contact:

Matt Ropp
Director of Infrastructure Services OR
Municipality of North Perth
