Participants will enjoy a healthy, budget-friendly meal, take part in monthly programming (such as parenting, wellness, financial literacy, and resume-building), and receive a grocery card upon attending to aid with food insecurity.

To register, please contact Alyssa Fries at Alyssa.riseandthrive@gmail.com to complete an intake package.

Protecting Yourself from Fraud: Key Steps

Fraud is increasing across Canada, with scams occurring through calls, emails, texts, and social media. The best protection is awareness and caution. Watch for warning signs like unsolicited contact, urgent requests for money, or pressure to act quickly. If something feels suspicious, pause and verify using trusted websites or official phone numbers. Protect your personal and financial information. Never share banking details, passwords, or identification numbers with unknown or unverified individuals. Be cautious online—avoid clicking unfamiliar links or downloading attachments, and limit the personal information you share. You are not obligated to engage with suspicious contacts—hang up, ignore, or delete them. If you believe you've been targeted or victimized, report it to the Perth County OPP at 1-888-310-1122 or through the Canadian Anti-Fraud Centre (<https://antifraudcentre.ca/>) online.
