

# COMMITMENT TO GENERAL REVIEW BY ARCHITECT AND ENGINEERS

Ontario Building Code, s.2.3.2.

## Part A: Owner's Undertaking

(This part must be completed by Owner or agent authorized by Owner)

Project Description:

Address of Project:

Permit Application No.:

**WHEREAS** the Ontario Building Code requires that the project described above be designed and reviewed during construction by an architect, professional engineer or both that are licensed to practice in Ontario; **(see overleaf)**

**NOW THEREFORE** the Owner, being the person who intends to construct or have the building constructed hereby warrants that:

1. An architect and/or professional engineers have been retained to provide general review of the construction of the building to determine whether the construction is in general conformity with the plans and other documents that form the basis for the issuance of a building permit, in accordance with the performance standards of the Ontario Association of Architects and/or Professional Engineers of Ontario;
2. All general review reports by the architect and/or professional engineers will be forwarded promptly to the Chief Building Official, and
3. Should any retained architect or professional engineer cease to provide general review for any reason during construction, the Chief Building Official will be notified in writing immediately, and another architect or engineer will be appointed so that general review continues without interruption during construction.

### The undersigned hereby certifies that he/she has read and agrees to the above
