After lunch, we will enjoy some time in the sunshine at the park before ending the day with a campfire craft and a super fun firefighter obstacle course that will test our fitness agility!

Tuesday, July 7th, 2026: Get ready for some more fire adventures! We will start the morning off with learning about the different ropes and knots firefighters use and then turn them into our very own keychains! We will then do our fire extinguisher training before lunch! Following this fun morning, we will head to the Kinsmen Pool to cool off after our hard work and end our day with a firetruck craft and some free play.

Wednesday, July 8th, 2026: To kick off our third day of Fire Camp, we will play a fun game of "Fire, No Fire" and then do a puffy paint craft. After snack, we will watch the firefighters put on a drone demonstration. After lunch, we will head to the Eastdale Playground for some outdoor play! We will end our day with The Great Firehouse Clue Hunt where we will need to solve lots of firefighter riddles!

Thursday, July 9th, 2026: Today is all about fire hall fun! We will start by making our own Sparky the Dog Craft. Then, we will learn more about campfire safety before starting to make our Taco Lunch with the firefighters. Mmmmmmm!!!
