## BY-LAW NO. 120-2025

### Being a By-law to provide for various Fees and Charges for the Municipality of North Perth

**WHEREAS** Section 391(1) of the *Municipal Act, 2001, S.O., 2001, c.25*, as amended, authorizes a municipality to impose fees and charges on persons for services or activities provided or done by or on behalf of it, for costs payable by it for services or activities provided or done by or on behalf of any other municipality or any local board, and for the use of its property including property under its control;

**AND WHEREAS** Section 391(2) of the *Municipal Act, 2001, S.O., 2001, c.25*, as amended, states that a fee or charge imposed for capital costs related to services or activities may be imposed on persons not receiving an immediate benefit from the services or activities but who will receive a benefit at some later point in time;

**AND WHEREAS** Section 391(3) of the *Municipal Act, 2001, S.O., 2001, c.25*, as amended, states that the costs included in a fee or charge may include costs incurred by the municipality or local board related to administration, enforcement and the establishment, acquisition and replacement of capital assets;

**AND WHEREAS** Section 391(4) of the *Municipal Act, 2001, S.O., 2001, c.25*, as amended, states that a fee or charge may be imposed whether or not it is mandatory for the municipality or local board imposing the fee or charge to provide or do the service or activity, pay the costs or allow the use of the property;

**AND WHEREAS** Section 391(5) of the *Municipal Act, 2001, S.O., 2001, c.25*, as amended, states that in the event of a conflict between a fee or charge by-law and the *Municipal Act, 2001, S.O., 2001, c.25*, as amended, or any other act or regulation made under any other act, the by-law prevails;

**AND WHEREAS** Section 69(1) of the *Planning Act, R.S.O. 1990, as amended*, states that the council of a municipality, by by-law, and a planning board, by resolution, may establish a tariff of fees for the processing of applications made in respect of planning matters, which tariff shall be designed to meet only the anticipated cost to the municipality or to a committee of adjustment or land division committee constituted by the council of the municipality or to the planning board in respect of the processing of each type of application provided for in the tariff;

**AND WHEREAS** Section 69(2) of the *Planning Act, R.S.O. 1990, as amended*, states that despite a tariff of fees established under subsection (1), the council of a municipality, a planning board, a committee of adjustment or a land division committee, in processing an application, may reduce the amount of or waive the requirement for the payment of a fee in respect of the application where the council, planning board, or committee is satisfied that it would be unreasonable to require payment in accordance with the tariff;
