New Listowel Squash Court Kit at the North Perth Public Library

November 4, 2022 - The North Perth Public Library (NPPL) and the Listowel Squash Court have partnered up to offer a loanable squash experience!

Anyone 18+ years old with an NPPL library card can now take out a complete kit to play squash alone or with a friend. Included in the kit are access for 2 people to the Listowel Squash courts, 2 squash racquets, squash balls, and safety gear.

Alan Mcarthur of the Listowel Squash Courts is willing to meet those new to squash with a hands-on explanation of the sport.

This is the newest kit that the NPPL carries to help the North Perth community to get active and appreciate all the great outdoor spaces in the area. Check out trekking pole kits, bird watching kits, and park passes too and get active.
